The screenshot shows a Java IDE with four tabs: Controller.java, Graph.java, IOManager.java, and Runner.java. The Runner.java tab is active, displaying the following code:

```
1 package edu.jdc.run; //Primer0
2 /**Fecha: 17/10/23
3  * Autor: Santiago Lopez
4  * Descripcion: Grafos version uno
5  */
6 import edu.jdc.controlador.Controller;
7
8 public class Runner {
9     //Variables Globales
10
11     //Metodo Constructor
12
13     //Metodos propios
14     public static void main(String[] args) {
15         Controller objeto = new Controller();
16         objeto.Init();
17     }
18 }
19
20
```

A message dialog box titled "Message" is displayed in the foreground, showing a 5x5 matrix of weights:

0	25	0	0	0
0	0	10	0	0
0	0	0	15	0
0	0	0	0	25
30	0	0	0	0

The dialog box has an "OK" button at the bottom right.
